1091 Matters Arising

A question was raised concerning Mr Challenor's attendance at a meeting of the Council and whether that was appropriate. Will planning applicants in future have the right to address the meeting?

It was agreed that in future this would only be allowed if it took place at a meeting before the planning application was considered and if it was agreed by the Council. (This had been the case with Mr Challenor as the application was not considered at the meeting that he had attended and his presence had been agreed at the previous meeting of the Council.

Re minute 1085, Cllr Phillips noted that there is a lot in the new Act which will affect the public.

Re minute 1081, Cllr Crump had no information on the lights. He was waiting for Mr Joy to act.

It was reported that the tree in Sunny Vale is not a problem at present.

Cllr Moorby had asked Rhidian Jones about the Housing Survey results and these are being processed.

b) Cllr Phillips noted that a seat and hedge had been demolished by a vehicle at the roundabout. It was agreed to check our insurance but to order a new seat in any case.
