1. The meeting was convened at Llandenny to view the first application.

DC/2006/00672 Proposed conversion of coach house to a dwelling, The Old Vicarage, Llandenny Members considered the issue of space for parking and decided that there was sufficient space. Agreed to recommend the application for approval.

DC/2006/00770 Two storey side extension at 14 Sunnyvale, Raglan. Members considered the application. It was noted that the proposed extension extended significantly beyond the front of the property. Members were also not in favour of two storey extensions which take up the full width to the adjoining boundary. It was resolved to recommend the application for refusal as it protruded too far to the front of the property and because it took up thr full width of the plot to the adjoining boundary.

The meeting ended at 10:35am
