**Proposal:** To provide 45 housing units

The Clerk gave members a verbal report on the inclusion of the land on Chepstow Road as the Welsh Office Planning Inspector has asked for further land to be included in the Local Development Plan (LDP). The Clerk explained about the inclusion and the statement made by the Cabinet Member.

*This site was included within the draft Deposit LDP but excluded following a Member decision at the meeting of Full Council on 1 July 2011. Given Raglan's relative sustainability in terms of provision of services etc. and its high level of housing need, the absence of any housing allocations in the settlement has been a point of concern. It is considered appropriate, therefore, to re-instate this site allocation, which provides a rounding-off opportunity close to the centre of the settlement and is in Council ownership. The southern part of the land is in flood plain but can be excluded from development or, possibly, utilised for amenity open space or garden area, particularly as there are a number of utility services crossing the site that restrict its developable area.*

The Chairman invited the public to make any comment on the proposals introduced by MCC. Mr Philip Badham asked the Chairman if he could thank the Clerk for the notes produced during the public meeting regarding these proposals.

Mr Badham informed members that he has spoken to officers from MCC regarding the submissions relating to the alternative sites which have been included in the draft plan. The Clerk handed a report for members to consider and he invited any questions or any amendments members wished to make.

**See Appendix 1 attached:**

Members considered the report and after some debate it was:

**Agreed** that the report is submitted to the WG inspector for consideration.
