Conditions

Please read the conditions carefully. It is your responsibility to comply with them.

- Some conditions may require the submission of details, eg materials or landscaping, *before* work starts or a change of use is made. You must ensure that you comply with all conditions of this type before work starts or within the period specified.
- Failure to submit matters required by condition will make your planning permission invalid and may lead to enforcement action being taken against you.

Compliance With Approved Plans

*You must carry out the development as approved or agree changes.
If you do not carry out the development in strict accordance with the approved plans your permission will be invalid.*

- If you wish to vary your scheme or changes result from other requirements you should contact the Council.

NOTES

Appeals to the Welsh Government

- If you are aggrieved by the decision of the Local Planning Authority to grant planning permission subject to conditions, then you can appeal to the Welsh Government in accordance with Section 78 of the Town and Country Planning Act 1990.
- If you want to appeal, then you must do so within **six months** of the date of this notice using a form which you can get from the Planning Inspectorate, Cathays Park, Cardiff CF10 3NQ.
- The Welsh Government can allow a longer period for the giving of a notice of an appeal but will not normally be prepared to use this power unless there are special circumstances that excuse the delay in giving notice of appeal.
- The Welsh Government need not consider an appeal if it seems that the Local Planning Authority could not have granted the permission without the conditions they imposed having regard to statutory requirements, to the provisions of the development order and to any directions given under the order.
- In practice the Welsh Government does not refuse to consider appeals solely because the Local Planning Authority based their decision on a direction given by the Welsh Government.

Purchase Notices

- If either the Local Planning Authority or the Welsh Government refuse permission to develop land or grant it subject to conditions, the owner of the land may claim that he can neither put the land to a reasonably beneficial use in its existing state nor render the land capable of a reasonably beneficial use by the carrying out of any development which has been or would be permitted.
 - In these circumstances the owner may serve a purchase notice on the Council in whose area the land is situated. This notice will require the Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
