

Raglan Community Council
Notes of the Task & Finish Meeting held on Wednesday
9 June 2021, to look at locations to install fitness equipment. This was a
socially distanced meeting outside
at 7.00pm

Present

Cllr Charlotte Exton
Cllr Hazel Leacock
Cllr Dave Bevan

In attendance:

Adrian Edwards, Clerk to the Raglan Community Council,

Agenda Item 1: Apologies for absence

Apologies received from Cllr Helen Tilley

Agenda Item 2: Declarations of interest.

No Declarations made

Agenda Item 3: Consider areas within the community to install fitness equipment and play equipment.

The Clerk explained it would be best in the first instance to consider a location/s in the village. Those in attendance considered some locations, one location was the Car Park in Raglan, and the dog walk area on Usk Road.

The area of land in the carpark area to the school indicated to the left in red was one location.

It was felt that this may be an area where those who wished to take exercise could do so without being in open public areas.

Another area was suggested, in the same carpark, that is also identified to the right.

It was felt that this area could accommodate some larger items of equipment on the one side of the footpath and some smaller items of equipment could also be installed the other side of the footpath for the younger age groups.

It was agreed before any further work is undertaken to contact Monmouthshire County Council initially. It was explained that the carpark may be part of the school and the education dept or the Headteacher in the school may need to give consent.

Clerk to contact the school first.

It was felt at this stage it would be best to wait until Cllr Tilley returned from leave to arrange a visit to Llandenny village.

Those present then walked around the village and visited the recreation ground on Prince Charles Road. It was felt the Community Council may be able to contribute to some new equipment or update some items of equipment.

It was agreed to contact officers from Monmouthshire County Council to make enquiries in the first instance

Agenda Item 4: Consider the way forward

It was agreed to include this item on the next agenda for the next group meeting.

Agenda Item 5: Consider a date for the next meeting

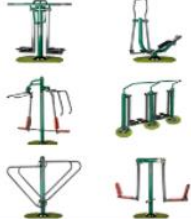

Date of the next meeting to be confirmed. No other business was discussed, the meeting closed at 19.45 hrs.

Signed by _____

Chairman
Date 23 June 2021.

Please note: these notes are a summary of the above meeting. These notes are not to be taken as a verbatim record of the meeting.
